EDUCATION

Graduation
Lovely Professional University

08/2017 – Present   *Phagwara, Punjab*

Bachelors of Technology

- Computer Science and Engineering
- CGPA-8.53

XII
St. Lawrence School

04/2015 – 03/2016   *Unnao,UP*

Science

- PCM
- 80%

X
St. Lawrence School

04/2013 – 03/2014   *Unnao,UP*

Science

- Science
- 86%

PROJECTS

Automated Teller Machine
LPU

08/2018 – 11/2018

Python

- The highly secured model was created to help the disabled peoples to withdraw the money, check balance and do other tasks using their voice.

Drug Review Dataset
LPU

09/2019 – 11/2019

Machine Learning

- The model was trained using SVM technique which provides patient reviews on specific drugs along with related conditions. Moreover, a 10 star patient rating reglecting overall patient satisfaction.

Unified Health Management
Geek Fiesta, LPU

11/2019 – 11/2019

Machine Learning

- The model was trained to read the heartbeats of a person using a wrist band and give an alert message if the patient is about to get a heartattack.

SKILLS

`C` `C++` `Java` `Python` `Leadership`
`Team Player` `Quick Learner` `Flexibility`

PERSONAL PROJECTS

Project Name

ORGANIZATIONS

Student Organisation MegaMinds (10/2018 – Present)
Chief Coordinator

MyPerfectice (03/2020 – Present)
Campus Ambassador

CERTIFICATES

Certified in Cloud Computing
Splen Technologies

Associate Engineer in Advanced Automation
NuStandards

LANGUAGES

English
Native or Bilingual Proficiency

Hindi
Native or Bilingual Proficiency
